CHILD NAME : MASHUHANGA sophia madoleka

CHILD NUMBER : 179264-1519

DATE : 20th September, 2013

Dear my sponsor

Greetings! its my hope that you are ^(fine) fine. I and my family we are fine and we are doing ^(well) well in our daily activities

my name is sophia a girl born on 21/9/2005

I am in standard 1 I like playing group game with my friends

I live with my parent in ubuya village
ngunga district Tubera region my ^(father) father called madoleka
born on 1978, Elisa born on 1986. I have one brother
called ^(Mahora) maiona born on 2007.

our home is about 15 kilometers from where the project office is located, our area is flat land covered with small bushes. in our area we have two types of season per year. rain ^(starts) starts on November up to April and ^(DRY) dry starts on may up to October.

my family are substance farmer they grow maize and groundnuts. all crops help us in getting food and ^(stiff) stiff ^(porridge) porridge for home consumption. our lovely food is ^(stiff) stiff ^(porridge) porridge with green vegetable

Thank you for being my sponsor. I wish you all the best

Yours

sophia
